- ▶ **Life-time free support and the industry's longest 100% warranty**

Ioline SmarTrac™

A Performance Workhorse

Designed for speed, low maintenance and unparalleled durability, the Ioline SmarTrac™ makes signmaking and easy more profitable.

Versatility.

Cut vinyl signs, create stencils, make pounce patterns or plot large format drawings. The rugged, high-speed Ioline SmarTrac™ holds pens and tools up to 7/8 inches in diameter.

Time-saving design.

Fast along straight lines and curves, the Ioline SmarTrac™ features an intuitive universal keypad that enables you to change speed and down-force

"We do lots of long jobs and are happy with the tracking."

— Victory Signs & Neon
Homer City, PA

proprietary drive shaft technology accurately track graphics on media as thin as paper to materials as thick as sandblast mask. The I/S 60 also features 400g of down-force and tangential blade control for cutting thicker materials like reflectives or heavy sandblast, lifting and realigning the blade as the cut angle changes—resulting in a perfect cut that weeds easily and cleanly.

Hassle-free & reliable.

Maintenance is a snap with Ioline's unique SmarTrac Technology. The SmarTrac™'s revolutionary friction-free head eliminates the need for lubrication or periodic adjustment.

- ▶ Life-time free support
- ▶ Rugged metal components
- ▶ Longest 100% warranty
